ATTENTION: HOMEOWNERS
PLANNING ANY ALTERATION OR CONSTRUCTION PROJECT

All Kinnelon homeowners are required to have a building permit before starting any alteration or construction project on their property. A zoning variance may also be needed. Please abide by the following:

1. A building permit must be obtained before starting construction on a house, deck, garage, pool, or accessory building. A permit is also required for oil tank removal, abatement, oil-to-gas conversion, etc. Depending on the project, other permits may be necessary.

2. Smoke Rise residents must obtain additional permits from the Smoke Rise Architectural and Variance Committee. Please call them at 973.838.7449 before you start any work.

3. A zoning variance must be obtained if a proposed structure affects the Borough’s Zoning Ordinance(s). For example, a zoning variance is required if your project approaches property boundaries more closely than allowed by the Borough code or exceeds the allowable height.

4. Our Department Officials must complete all inspections of your project before we issue a Certificate of Occupancy and Approval. We will NOT inspect any work performed without a permit.

A final caution - projects completed without permits are a nightmare for owners who sell their home years later. Without proper documentation, prospective buyers can be lost and the value of your property diminished. Besides breaking the law, your finished construction might be unsafe.

Please contact us before starting any construction so your project is safe and completed to code. Thank you.
EMERGENCY MANAGEMENT AND SHELTER

Randall I. Charles – Coordinator 973.838.6471 / (c) 973.864-0815

Mayor James Freda leads a 12-member Local Emergency Planning Council representing multi-disciplines and responsibilities. They continually evaluate and improve our borough’s emergency response plans and our interactions with state agencies and utility companies.

EMERGENCY SHELTER

Police Department Dispatcher 973.838.5400

The destruction and power outages from Hurricanes Irene and Sandy left many residents in our community in need of emergency shelter.

Kiel School is the official Emergency Shelter for the borough; however, other locations may be opened based on resident requirements, logistics, and safety considerations. In a designated emergency, please call the Police Dispatcher for shelter assistance.

EMERGENCY WARMING & COOLING CENTER

Police Department Dispatcher 973.838.5400

When severe COLD or HOT weather is forecasted - the Kinnelon Public Library is the OFFICIAL Warming & Cooling Center for the Borough and is located at 132 Kinnelon Road in the Borough Municipal Building Complex. If necessary, other locations may be opened based on resident requirements, logistics and safety considerations. In a designated emergency, please call the Police Dispatcher for Warming Center and Cooling Center Assistance.

CENTER FOR LIFELONG LEARNING

Email: programs@kinnelonlibrary.org        973.838.1321 x4

Thank you to all who have and continue to make it possible!

Our commitment and mission continues to inform, inspire, educate, and contribute by providing more ‘Adventures in Learning’ for adults of all ages in Kinnelon and the surrounding communities.

CLL’s Mission – To provide daytime adult education for adults of all ages
- Over 15,000 students since 1993 have experienced ‘Adventures in Learning’
- CLL is an all-volunteer organization
- CLL has two, 10-week semesters each year
- Every semester is a new experience with stimulating courses

CLL Is Much More Than Just ‘Adventures in Learning’
CLL focuses on providing needed funding for the increase in a wide variety of entertaining, self-help and interactive programs offered by the Library for adults, children, and teens.
- Since 2005, CLL has provided more than $190,000 of funding!
- When combined with the funding from The Friends of the Library, the total contribution to the Library since 1995 has been $1,256,000

It is this dedication and commitment to the community that has made CLL the very special and unique program it is today.
Since 1979, our talented volunteers have successfully supported the Library with a variety of programs and services. Since 1995 the Friends have funded over $1,200,000 in materials, programs and services. Come join us and help with our:

- **Membership Mailing.** This semi-annual fundraising letter is vital in explaining precisely how your contributions are being spent and how important your continued support is to the Library and the Community.

- **Annual Book Sale.** Thousands of used books are sold at this event. People begin donating books in late July at the Kiel Avenue Firehouse.

- **Annual Kinnelon Service Directory.** This unique reference guide is distributed to all households in Kinnelon free-of-charge. It features local business advertisers and residents (Boosters) who so generously support us in this endeavor.

- **Children, Teen and Adult Programs.** The Friends are funding 100% of all the materials and services for adults, children, and teens. This includes books, periodicals, newspapers, media, digital media, and museum passes.

- **Shredding of Documents.** We offer shredding of documents for a nominal fee twice a year. You may view your documents being shredded by a remote camera inside the truck.

- **Forever-in-Stone Personalized Pavers.** These pavers not only memorialize a significant person or event but also enable their donors to visibly share that remembrance with all who enter and exit our building. Please call the Library (or fill out a form) for more information and a Friend of the Library will contact you.

- **Fundraisers.** We constantly offer events that support our Library and Community such as our Educational Tours and other activities.
